## 14<sup>th</sup> Annual Fall Reception of the Graduate Group for German and Austrian Studies

Please join us for the annual fall reception of the GGAAS, held this year at the home of Sigrid and David Fertig. We strongly encourage everyone to bring along their family and friends (including children of all ages!) We will be welcoming two special guests at this year's reception:

**Miriam Paeslack** is Assistant Professor of Arts Management at UB. Her research focuses on the political, cultural, and social implications of urban imagery, as well as the significance of the city image in respect to memory and identity, with a primary focus on the 19<sup>th</sup>, 20<sup>th</sup>, and 21<sup>st</sup> century Berlin. Her recent publications include "Stereographic City: Berlin Photography in the "Wende" Era" and "Subjective Topographies: Berlin in Post-Wall Photographies" (both 2010).

**Kenneth Orosz** is Associate Professor of History at Buffalo State College, specializing in Modern Europe, Imperialism, Africa, and Comparative Revolutions. His award-winning book *Religious Conflict and the Evolution of Language Policy in German and French Cameroon, 1885-1939* was published in 2008.

Please join us for this great opportunity to catch up with old friends and to get to know Miriam and Ken – and their groundbreaking work – a little better!
